[Tulip Hill Winery](#)
Nice, Calif.
707-274-9373

This winery derives its name from the countless tulip bulbs that light up the hillside each spring. But it is the wine grapes that grow alongside those flowers that provide the real excitement. Fans of petite sirah will want to sample Tulip Hill's award-winning version made with fruit grown at the northern tip of Napa County. Other popular wines run the gamut from crisp pinot grigio to intensely sweet, dessert-style cabernet sauvignon. Sample these and others at tasting rooms in Rancho Mirage and Nice. Both are open year-round, except for major holidays. (Courtesy of [Touring & Tasting](#) magazine.)
